CALmoto & Tri-Valley Moto SUNDAY RIDE

Sunday, September 5, 2010

Destination: Alice's Restaurant

Departure: 9:00am from CALmoto parking lot in Mountain View

Welcome to the June, CALmoto/Tri-Valley Moto Shop Ride!

We will be riding out on Sunday, September 5th, leaving the shop parking lot at 9:00 am. Please be gassed up and ready to go at that time. We'll have a short safety meeting before the ride, and a sign-out sheet for contact information should it be needed. As always, we'll have coffee and muffins by 8:30 or so. Please arrive a little early and give yourself a chance to relax and socialize before the ride. We did this ride two years ago, so it may be familiar to some of you, but we don't do it very often, and it should be very pretty.

This ride is a rather short one, on some very tight and narrow roads. Therefore I would not recommend it for beginners. We'll be riding up Page Mill Road to Skyline. We'll go South on Skyline, which gets extremely narrow and tight, until it ends at Bear Creek Road, where we will turn right and follow Bear Creek all the way to Hwy 9. We'll cross the bridge and head right (east) on 9 and take it back up to Skyline where we will turn left and follow Skyline to Alice's, where the ride will end. I expect to be at Skyline/Alice's shortly before noon.

Lunch at Alice's is optional. You can get a drink at the little general store, or you can just walk around Alice's and check out all the bikes. If your time is limited, you can head right back via the fastest way, back down 84 to 280, or over to Sand Hill Road, depending on where you live. That's the way I'm going back. It's your choice; after lunch I don't try to keep the group together.

Everybody, please, be sure to stay within the safe limits of your riding ability. This is a social ride, not a race, so always ride within your comfort zone and work on being the smoothest rider on the ride, not the fastest. True riding skill is built on the practice of smoothness, control and a sense of the right line, not on trying to go fast. So, as always, this is a leisurely ride, nothing difficult, and please, no racing! I hope you can join us. Have fun and be safe!

I hope you can join us. [E-mail](#) or call me at (650) 966-1183, ext. 3, if you have any questions or concerns.

Best Regards!
